

2022- 2023 ArtLink Theme

Extraordinary!

Our daily life is often a series of routines (i.e. getting dressed for school, riding a school bus, studying at school, doing chores at home, getting ready for bed, etc.)

However, occasionally something out of the ordinary happens that stands out to us as especially memorable.

Create an art piece illustrating something **“Extraordinary”** you have witnessed or experienced, whether large or small. It could be something that surprised, encouraged, delighted, scared, or even angered you. It can be a positive or negative memory, but it should highlight a cultural value that is important to you.

Some examples inspired by past ArtLink students:

- *Seeing a colorful fish when snorkeling for the first time*
- *Removing my mask at school after the pandemic (after many months!)*
- *Smelling smoke from a forest fire nearing my community*
- *Delighting in a butterfly landing on my shoulder*
- *Witnessing someone throw litter out of their car window*
- *Tasting something delicious cooked by my sister*
- *Sticking up for a classmate being bullied*
- *Riding my bike without training wheels*
- *Helping my grandfather take a walk*
- *Singing a favorite song in a school choir performance*
